How do we use volunteers?

Our primary mission is building **decent, affordable** homes.

- We limit the number of volunteers on the construction site from 5 – 30 volunteers.
- Volunteers are asked to perform demolition work, framing, drywall, painting, landscaping, or cleaning when on the construction site.
- Office volunteers assist in pre-screening applicants, logging construction volunteer data, or assist in outreaching events.
How do we use volunteers?

- In 2014, we had 3,078 volunteers working on the construction site
  - These volunteers include:
    - Corporate teams;
    - Congregations;
    - Schools and community groups; and,
    - Theme builds, such as:
      - Women’s Build
      - Rainbow Build
      - Veteran’s Build
